

Assignment #1: Info Scavenger Hunt

(Cite ALL sources by either attaching the link in the text, or explaining where you found the information. Put links in text [LIKE THIS](#), as opposed to just cutting-and-pasting a URL. Double-check your link to make sure it is going where you want it.)

Each question is worth 10 points. The more information you provide, the deeper you go, the higher you will score.

- 1.) In the state of Connecticut, can you obtain a person's birth certificate? Explain your answer.
- 2.) When is the next Hamden Legislative Council meeting? Where is it? Who is on the Council? What are the most important issues the council is considering?
- 3.) Can we access police logs from Yale University (the Yale public safety unit, as opposed to the New Haven Police)? If so, what was the most common crime?
- 4.) How many *licensed cheese manufacturers* are there in Hamden, Connecticut? Who are they and where are they located?
- 5.) I'm thinking of taking my dog to a new vet. There is a vet's office nearby called Spring Glen Veterinary Hospital. What can you tell me about it and its owner? Ultimately, would you recommend I take my "doghter" there? How did you come to this recommendation?
- 6.) List the names and addresses of three sex offenders living in Hamden. Provide details and a summary of **ONE** of those cases.
- 7.) How many people were in the **New Haven Correctional Center** on Feb. 1, 2020? Was this more or less than the number in Feb. 1, 2019? How many of those inmates were white?
- 8.) My wife, Lindsay Boyle, is a registered voter in Connecticut. What is her party affiliation? Where is her polling place?

- 9.) In 2019, how many people fatally overdosed in Connecticut? Was it more or less than the number of people who died of overdose in 2018? Which type of “injury place” (where the overdose occurred) is most common? How many people died in Hamden? What is the youngest age of someone who fatally overdosed? The oldest?
- 10.) My wife and I recently bought a house at 264 Richmond Ave. in West Haven. We are throwing a house warming party and want to invite our neighbors. The thing is, we obviously know their addresses to mail them an invitation, but we don’t know all of their names. Provide the names/addresses of the people on our block who live the closest to us. (Next door neighbors, people directly across the street.)
